Veterinary clinic and animal hospital cleaning: what we clean

Walk the practice with your hospital manager and mark each zone and the hours it is clear.

Practice _____ **Address** _____

Walked by _____ **Date** _____

Lobby

- ☐ Fur cleared from floors, baseboards and benches
- ☐ Front door glass, low smudges included
- ☐ Check-in counter and pet scale
- ☐ Retail shelf handles
- ☐ Walk-off mats vacuumed, surrounding floor mopped

Exam and procedure rooms

- ☐ Exam tables, counters, sinks and door hardware
- ☐ EPA-registered disinfectant for the label dwell time
- ☐ Product your protocol names, if any: _____
- ☐ Trays and instrument tables left for staff
- ☐ Terminal cleaning after a surgery day

Treatment floor and wards

- ☐ Floors scrubbed with rinse water worked to the drains
- ☐ Lower-wall splash zones wiped
- ☐ Casters and frames on wheeled tables and carts
- ☐ Grooming and bathing areas
- ☐ Occupied wards handled per on-duty staff

Staff side

- ☐ Breakrooms and doctor offices
- ☐ Pharmacy counter area and records rooms
- ☐ Lab and X-ray rooms: counters, handles, floors only
- ☐ Restrooms cleaned and restocked with soap, paper, liners
- ☐ Boarding, grooming or daycare rooms on their own schedule

Periodic detail

- ☐ Return-air grilles and door frame tops
- ☐ Under cabinets and behind reception
- ☐ Treatment-area vinyl scrubbed and refinished
- ☐ Office carpet extraction
- ☐ Zones and hours for a practice that stays open late: _____

Notes
